

Burlington Danes Academy

A Church of England School

Head of Physics

Information Pack
January 2012

Wood Lane
London
W12 0HR

January 2012

Dear applicant,

Thank you for taking the time to find out more about Burlington Danes Academy and the possibility of teaching here. Included in this information pack is information about the academy, ARK Schools (who sponsor the academy) and the role of Head of Physics.

Burlington Danes is a specialist performing arts academy which opened in September 2006 and has made rapid progress to become a highly successful and over-subscribed local school. New, state-of-the-art facilities at the school are now complete as well as the refurbishment of our beautiful art deco school building.

Graded 'good' by OFSTED, our sixth form also opened in 2009 and the Academy recently won 'Academy of the Year' in the Education Investor Awards 2011. We will continue to build on our success as we work towards becoming an outstanding, nationally recognised comprehensive school. We truly believe that Burlington Danes Academy is a great place to work. Science is taught as the discreet subjects of Biology, Chemistry and Physics from year 8 onwards. Students follow a Triple Science or Single and Additional award at GCSE and we have a healthy take up of Physics at A Level.

The role of Head of Physics is important to the success of the academy, and the ideal candidate will be an outstanding teacher who will ensure that energy and commitment to high expectations are maintained. The post holder will have the opportunity to work in brand new laboratories and help lead an expanding department that offers double and triple science at GCSE, in addition to all the A level sciences.

This is a unique opportunity to join a community of staff striving to create an outstanding comprehensive school. The successful candidate will have experience of raising attainment in the classroom and be committed to an ethos that is truly committed to achievement.

To find out more, please visit www.burlingtondanes.org. To apply, please complete the online application form on the website by **Friday 17th February**. If you have any queries, please contact Alison Downey, Vice Principal on **0208 735 4950** or Alison.Downey@burlingtondanes.org if you would like to discuss this role.

I wish you the best with your application.

Yours sincerely,

Sally Coates
Principal

About Burlington Danes Academy

Burlington Danes Academy opened as the successor to Burlington Danes School in September 2006. It is a 6 form entry secondary school for 11-18 year olds. It continues the predecessor school's long history as a Church of England School and its commitment to 'achieving through belief'.

In 2009 OFSTED inspectors commented that a "huge improvement has taken place over the last year". The report also highlighted the "ambitious vision for the academy that is shared among staff", and concluded that "the improvements achieved and the energetic determination of staff indicate that the academy has good capacity for further improvement."

Staff are totally committed to ensuring that by our next inspection the academy will move to an 'outstanding' grade. The academy's aim is to make Burlington Danes London's best academy. This means thoroughly planned, exciting and creative lessons, challenging work, independent learning and a rigorous assessment system which measures student progress every six weeks. All classes are grouped by ability. Expectations are high: of work, of appearance, of personal organisation. Students who are underachieving are targeted and intervention programmes instigated to support progress more effectively. Achievement is a passion of every teacher.

Burlington Danes Academy is a specialist Mathematics and Performing Arts college and enjoys stunning facilities: The Stanley Fink Building is a state-of-the-art, brand new Maths, English and Science building and the Dennis Potter Building is a performing arts centre, with a 300 seat theatre, sixth form area and a digital music centre opened in September 2010. Both these new facilities complement the beautiful Burlington Building – nationally renowned as a fine example of art deco architecture.

Burlington Danes Academy believes that every student has the right to learn in a safe, secure and joyful community founded on mutual respect and care for one another. The academy is driven by success and does not accept excuses for underachievement. The happiness and achievement of all students at Burlington Danes is the No.1 priority!

About ARK Schools

ARK Schools runs a network of eleven academies in London, Portsmouth and Birmingham. ARK Schools was created in 2004 to work with the Department for Education and local authorities to create new schools offering exceptional opportunities to children in inner cities through the academies programme.

Our aim is to help close the achievement gap between children from disadvantaged and more affluent backgrounds. Our academies focus on raising attainment so that every pupil has a real choice of going on to higher education when they complete school. Our schools are non-selective, community schools for local children. They are non-denominational other than where they replace a school that previously had a religious affiliation. ARK's academies are generally situated in deprived urban areas – just under half of pupils at ARK secondary schools are on free school meals, compared to around 15% nationally.

The ARK Schools Network

ACADEMY	BOROUGH	OPENED	AGE	OFSTED	
				Predecessor school	Section 5 inspection
Burlington Danes	Hammersmith	2006	11-18	Special measures	Good
King Solomon	Westminster	2007	3-18	New school N/A	Outstanding
Walworth	Southwark	2007	11-18	Satisfactory	Good (with outstanding capacity to improve)
Globe	Southwark	2008	3-18	Special measures	Good (with outstanding capacity to improve)
Evelyn Grace	Lambeth	2008	11-18	New school N/A	Satisfactory
Ark	Brent	2008	3-18	New school N/A	Outstanding
Charter	Portsmouth	2009	11-18	Notice to improve	Good (monitoring visit)
St Alban's	Birmingham	2009	11-18	Good	Outstanding
ARK Atwood Primary	Westminster	2011	3 – 11	New school N/A	Pending
ARK Conway Primary	Hammersmith	2011	3 – 11	New school N/A	Pending
ARK Oval Primary	Croydon	2011	3 – 11	Special Measures	Pending

New schools: ARK will be opening a number of primary schools as academies in London and across the UK (with specific locations to be finalised). Furthermore, four secondary schools will also be opening in 2012, including Isaac Newton Academy in Redbridge, Essex and Bolingbroke Academy in Wandsworth, London.

Our Vision

Our vision is to create a group of outstanding schools that radically improve our pupils' life chances. We want every pupil at an ARK academy to do well enough by the age of 18 to go to university or pursue the career of their choice. To achieve this we prioritise six key principles across our schools:

1. HIGH EXPECTATIONS

We set exceptionally high expectations for all our pupils which we reinforce constantly as they go through school. We believe every child can realise their potential with the right teaching and support.

2. EXEMPLARY BEHAVIOUR

Our schools are characterised by a respectful and orderly environment, where teachers can focus on teaching and pupils on learning.

All our schools aim for uninterrupted teaching and learning to make exceptional achievement possible. We don't accept excuses and we don't make any either.

3. EXCELLENT TEACHING

Nothing is more important than excellent teaching, underpinned by high quality professional development. We make intelligent and appropriate use of data to improve teaching and the curriculum and to ensure that no child is left behind. We draw on evidence and experience of the best ways to achieve excellent outcomes for all children.

4. MORE TIME FOR LEARNING

Our longer school day provides more time to embed core subjects and to extend the curriculum through enrichment. Our curriculum is planned to provide pathways from any level at entry to high achievement at exit.

5. DEPTH BEFORE BREADTH

A strong command of English and mathematics is a vital foundation for the whole curriculum. We prioritise depth before breadth, so that all pupils secure firm foundations in these core subjects as early as possible.

6. SMALL SCHOOLS

ARK academies are organised as small schools so that every pupil knows and is known well by every teacher within their small school. Positive relationships between pupils reinforce a culture of excellent behaviour and commitment to learning.

Achievement to Date

Secondary results

ARK Schools has secured a fifth year of improved GCSE performances across its academies. ARK's five academies with GCSE results achieved an average rise of 11 percentage points over last year. Since each school opened as an ARK academy the average annual increase in pupils achieving five GCSEs at A*-C including English and mathematics is also 11 percentage points.

ARK academies are now outperforming national attainment in the key subjects of English and mathematics. In mathematics, 73% of ARK pupils achieve A*-Cs compared with 59% of pupils nationally. In English 69% of all ARK pupils now achieve A*-C grades, compared with 65% nationally. Overall 61% of our pupils achieved five good GCSEs with English and maths, ahead of the national level of attainment (58%, 2011).

% pupils passing 5 GCSEs A* - C (including English and Maths)	Opened	2009	2010	2011	Percentage point increase 2010 - 2011	Average annual percentage point increase since opening as ARK academy
Burlington Danes	2006	50	67	75	8	9
Walworth	2007	45	59	70	11	11
Globe	2008	35	42	45	3	6
St Alban's	2009	31*	50	67	17	19
Charter	2009	21*	24	39	15	9
Average across ARK Schools					11	11

*Denotes result for predecessor school

Primary results

- At King Solomon, Ark and Globe Academies key stage one pupils achieved results well above local and national averages in every subject in 2011. Despite starting from relatively low baselines, an average of 68% of pupils reached level 2a across their subjects, compared with 43% of pupils in primary schools nationally.
- In Globe Academy 93% of pupils achieved Level 4+ in English and maths - 10% above the national average.
- King Solomon Academy and Ark Academy are both rated as 'outstanding' by Ofsted.

Sixth form results

- More than two thirds of ARK's first Sixth Form cohort, at Burlington Danes Academy, secured places at their first choice university. Students are going to leading institutions including Warwick, Bristol and King's College London.

ARK Schools staff benefits

We are committed to recruiting, developing and supporting excellent staff within the network. Alongside our continued focus on professional development through the Summit, Hub Days and the Training Menu we also offer a variety of other benefits. These benefits have been chosen to help our employees develop professionally, plan their finances and look after their wellbeing.

MA bursary - ARK Schools offers teaching staff the opportunity to further their knowledge and understanding of education through a subsidised part-time MA at King's The MA bursary covers the majority of the circa £4,000 course fee, with teachers expected to contribute just £1,000.

ARK Rewards – ARK Schools has a discount scheme for all employees. Employees can access up to £1,000 in savings a year from over 3,000 major retailers, receive up to 40% discounts at a wide variety of gyms and sign up for a money back healthcare programme.

- **Discounts** – Save up to £1,000 a year through store discount cards, or cashback with online shopping.
- **GymFlex** – Save up to 40% at your local gym.
- **Healthcare** – This low cost plan gives you money back towards the cost of your optical bills, dental costs and consultations.

Interest Free Loans – ARK Schools offers employees up to £5,000 in interest free loans for season ticket or bicycle purchases.

Childcare Vouchers – All employees are eligible for tax free childcare vouchers as part of a salary sacrifice scheme.

International development opportunities – In spring 2011 the mathematics leads from across the network visited Singapore in order to examine and share best practice. There have also been on several other trips this year – the staff from King Solomon Academy visited the best charter schools in New York and the primary leaders from across the network also visited various charter schools in New Orleans.

Suggest a Candidate Scheme – ARK Schools rewards employees for nominating candidates who are successful in being offered (and accepting) a role in an ARK School.

Job Description: Head of Physics

Reports to: Head of Science Faculty

Start date: September 2012

Salary: ARK MPS (Inner London + 2.5%) + TLR 2C (negotiable)

The Role

Manage the professional community of subject teachers to ensure high attainment of physics across the academy.

Key responsibilities

- Subject coordination across the academy
- Lead the professional community of subject teachers and leaders in the academy
- Quality teaching and learning of physics across the academy
- Curriculum setting and assessment across the academy as agreed with each vice principal

Outcomes and activities

Subject Coordination across the Academy

- Leadership and support of all other subject teachers within the academy

Leadership of the Subject Community

- Assisting in the professional development of teachers including inset training as may be appropriate
- Supervising and supporting beginner teachers and Newly Qualified Teachers as appropriate
- Developing strong partnerships and ensuring regular and productive communication with parents

Teaching and Learning

- Establish subject development plan, target setting and review
- Teach engaging and effective lessons that motivate, inspire and improve pupil attainment
- Manage departmental budget and resources effectively and efficiently

Curriculum setting and assessment

- Develop a syllabus and schemes of work for all year groups, in line with National Curriculum requirements, that are inspiring for learners and teachers alike
- Monitor and assessment of teaching and learning
- Set regular, measurable and significant assessments for the students
- Establish agreement for monitoring and evaluation of student progress
- Maintain accurate pupil data that can be used to make teaching more effective

Academy Culture

- Help create a strong academy community, characterised by consistent, orderly behaviour and caring, respectful relationships
- Help develop an academy culture and ethos that is utterly committed to achievement

Other

- Undertake other various responsibilities as directed by the vice principal or Senior Manager
- Undertake the other main professional duties of a teacher as set out in the ARK Schools pay and conditions of service document

Person Specification: Head of Physics

Necessary Qualification Criteria

- Qualified to degree level and above
- Qualified to teach in the UK
- Right to work in the UK

Desirable Experience

- Experience of raising attainment in a challenging classroom environment
- Experience of establishing a high achieving department within a large and complex school environment
- Experience of leading, coaching and managing staff
- Evidence of continually improving the teaching and learning of their subject through schemes of work and extra-curricular activities etc.

Desirable Behaviours

Leadership

- Effective team worker and leader
- Demonstrates resilience, motivation and commitment to driving up standards of achievement
- Acts as a role model to staff and students
- Vision aligned with ARK's high aspirations, high expectations of self and others
- Genuine passion and a belief in the potential of every student
- Motivation to continually improve standards and achieve excellence
- Commitment to the safeguarding and welfare of all pupils

Leading the Curriculum

- Able to establish curriculum development, assessment, coordination and coaching
- Has good communication, planning and organisational skills
- High expectations for accountability and consistency

Leading the Learning

- Excellent classroom practitioner and mentor
- Effective and systematic behaviour management, with clear boundaries, sanctions, rewards and praise

Other

- This post is subject to an enhanced Criminal Records Bureau disclosure.

ARK Schools, Safe Recruitment Procedure

ARK is committed to safeguarding and promoting the welfare of children and young people in its academies. In order to meet this responsibility, its academies follow a rigorous selection process to discourage and screen out unsuitable applicants. This process is outlined below, but can be provided in more detail if requested.

Disclosure

This post is classified as having substantial access to children, and appointment is subject to an enhanced police check of previous criminal convictions (CRB). Applicants are required, before appointment, to disclose any conviction, caution or binding over including 'spent convictions' under the Rehabilitation of Offenders Act 1974 (Exemptions) Order 1975. Non-disclosure may lead to termination of employment. However, disclosure of a criminal background will not necessarily debar individuals from employment – this will depend upon the nature of the offence(s) and when they occurred.

Shortlisting

Only those candidates meeting the right criteria will be taken forward from application.

Interview

1. Longlisted candidates will be subject to a screening interview at ARK. Those shortlisted will take part in an in-depth interview process including a lesson observation.
2. Candidates will be asked to address any discrepancies, anomalies or gaps in their application form.

Reference checking

References from the previous and current employer will be taken up for shortlisted candidates, and where necessary employers may be contacted to gather further information.

Probation

All new staff will be subject to a probation period of six months (which may, in certain circumstances, be extended by up to 10 weeks). The probation period is a trial period, to enable the assessment of an employee's suitability for the job for which they have been employed. It provides the academy with the opportunity to monitor and review the performance of new staff in relation to various areas, but also in terms of their commitment to safe guarding and relationships with pupils.
