Academy

Music Teacher

Candidate Brief

February 2012

Dear candidate,

Thank you for taking the time to find out more about Bolingbroke Academy and the possibility of working here. Included in this brief is information about the academy, ARK Schools (who sponsor the academy) and the role of Music teacher.

In September 2012, we will welcome our first year 7 pupils to our new school in the former Bolingbroke Hospital. We will welcome another 120 year 7 pupils every year and the school will be fully subscribed in 2018, with 600 places for 11 – 16 year olds and a sixth form.

Bolingbroke Academy will have high aspirations for all its pupils. We will aim for the highest standards of educational achievement: we will respect and value every pupil and support each to reach their full potential.

This is a challenging and highly rewarding teaching opportunity, with potential to develop into a leadership position. As one of the first free schools to be set up in London, supported by ARK Schools and a committed network of local parents, this role is suited to a dedicated music teacher with high ambitions for improving attainment levels of their students. The successful candidate will develop the curriculum of the schools specialist subject, to ensure the academy's vision of high standards and academic achievement is upheld. This is an exciting opportunity to develop, and teach within, the new academy's music department. As a new-start school, we are not able to take on NQT's in our first year. We will consider part time positions for exceptional candidates.

I want Bolingbroke Academy to be an outstanding local school and a strong part of the local community. It was founded after a campaign for a non-selective local school by Battersea parents and residents and our home is a building that's been at the heart of its community for 132 years. Our heritage is that of a community committed to the achievement and opportunity of all its citizens – a commitment our school will share.

If you share our commitment to educational excellence, we want to hear from you.

For an informal, confidential conversation about the role please contact Holly on 0203 116 0894 or holly.harris@arkonline.org.

To apply, please complete the application form found here: <https://application.arkschools.net/?r=pyktryqk> by **9am on 9th March 2012**.

Yours sincerely,

Claire Edis
Principal

We have high aspirations for all our pupils. We will aim for the highest standards of educational achievement. We will respect and value every pupil and support each to reach their full potential. Our motto, **Fortiter ubique**, or “Ever courageous” is based on the motto of the Bolingbroke & St John’s League of Friends. It came from the family coat of arms of Canon John Erskine Clarke, who was vicar of St Mary’s Church, Battersea and a founder of the Bolingbroke Hospital. It embodies our belief that perseverance, self-discipline and determination will enable our students and staff to succeed at school and beyond.

We will realise our vision by adopting the following core principles:

- **Excellence:** exceptional expectations and achievement for all pupils.
- **Whatever it takes:** pupils, teachers and parents all committed to doing everything needed to ensure that each child succeeds.
- **Responsibility and respect:** excellent standards of behaviour and conduct in school and the local community at all times.
- **Personal development:** developing confidence and leadership skills through inspiring teaching and role models, and an extended and enriching curriculum.
- **Talented and committed staff:** trained and supported to create an academic centre of excellence.

We are building a skilled and committed team to create a centre of academic excellence. We are drawing on ARK Schools’ exceptional experience of developing outstanding new schools to establish a strong and positive culture and rigorous academic programme.

The Curriculum

Our aim is for 100% of pupils to achieve at least five GCSEs at A*–C including English and mathematics and for 90% of pupils to successfully complete the English Baccalaureate (six good GCSEs including English, maths, two science qualifications, one humanity and one modern foreign language). All ARK schools expect at least 80% of pupils to achieve at least five GCSEs including English and mathematics.

The Bolingbroke curriculum will have excellent English and mathematics teaching at its core, to provide the strongest possible educational platform for all subjects. We will set very high achievement targets for all pupils and organise the curriculum and teaching to make it possible for all pupils to reach their targets. Pupils entering the school with attainment below the level expected for their age will follow a curriculum designed to accelerate their progress so that they can participate fully.

The academy will offer a full curriculum at GCSE and A level and a selection of other courses to ensure a programme which challenges and meets the needs of all pupils. We expect almost all pupils to continue to study at least one humanities subject and a language up to the age of 16. Courses such as the International Baccalaureate and Pre-U will be considered once the likely demand for such programmes is known.

Subject Specialisms

Like all ARK academies, Bolingbroke Academy will specialise in mathematics. We also have a strong focus on music, which helps develop self-expression, self-discipline, performance and team work as well as building a strong sense of community through collective participation. Our aim is for every pupil to play an instrument confidently and to take part in regular performances.

ARK Schools runs a network of eleven academies in London, Portsmouth and Birmingham. ARK Schools was created in 2004 to work with the Department for Education and local authorities to create new schools offering exceptional opportunities to children in inner cities through the academies programme.

Our aim is to help close the achievement gap between children from disadvantaged and more affluent backgrounds. Our academies focus on raising attainment so that every pupil has a real choice of going on to higher education when they complete school. Our schools are non-selective, community schools for local children. They are non-denominational other than where they replace a school that previously had a religious affiliation. ARK's academies are generally situated in deprived urban areas – just under half of pupils at ARK secondary schools are on free school meals, compared to around 15% nationally.

New schools: ARK is working with a number of governing bodies on proposals to open new primary academies in and outside London. We expect to open four secondary schools in 2012: Isaac Newton Academy in Redbridge and Bolingbroke Academy in Wandsworth, London, are new schools and Kings Norton High School in Birmingham and Elliott School in Wandsworth, both intend to convert to being ARK sponsored academies.

Our vision is to create a group of outstanding schools that radically improve our pupils' life chances. We want every pupil at an ARK academy to do well enough by the age of 18 to go to university or pursue the career of their choice. To achieve this we prioritise six key principles across our schools:

1. HIGH EXPECTATIONS

We set exceptionally high expectations for all our pupils which we reinforce constantly as they go through school. We believe every child can realise their potential with the right teaching and support.

2. EXEMPLARY BEHAVIOUR

Our schools are characterised by a respectful and orderly environment, where teachers can focus on teaching and pupils on learning.

All our schools aim for uninterrupted teaching and learning to make exceptional achievement possible. We don't accept excuses and we don't make any either.

3. EXCELLENT TEACHING

Nothing is more important than excellent teaching, underpinned by high quality professional development. We make intelligent and appropriate use of data to improve teaching and the curriculum and to ensure that no child is left behind. We draw on evidence and experience of the best ways to achieve excellent outcomes for all children.

4. MORE TIME FOR LEARNING

Our longer school day provides more time to embed core subjects and to extend the curriculum through enrichment. Our curriculum is planned to provide pathways from any level at entry to high achievement at exit.

5. DEPTH BEFORE BREADTH

A strong command of English and mathematics is a vital foundation for the whole curriculum. We prioritise depth before breadth, so that all pupils secure firm foundations in these core subjects as early as possible.

6. SMALL SCHOOLS

ARK academies are organised as small schools so that every pupil knows and is known well by every teacher within their small school. Positive relationships between pupils reinforce a culture of excellent behaviour and commitment to learning.

Secondary results

- ARK Schools has secured a fifth year of improved GCSE performances across its academies. ARK's five academies with GCSE results achieved an average rise of 11 percentage points over last year.
- Since each school opened as an ARK academy the average annual increase in pupils achieving five GCSEs at A*-C including English and mathematics is also 11 percentage points.
- ARK academies are now outperforming national attainment in the key subjects of English and mathematics. In mathematics, 73% of ARK pupils achieve A*-Cs compared with 59% of pupils nationally. In English 69% of all ARK pupils now achieve A*-C grades, compared with 65% nationally.
- Overall 61% of our pupils achieved five good GCSEs with English and maths, ahead of the national level of attainment (58%, 2011).
