

Key Stage 2 Teacher

Information Pack

February 2012

98 Cherry Orchard Road
Croydon,
CR0 6BA

February 2012

Dear applicant,

Thank you for taking the time to find out more about ARK Oval Academy in Croydon and the possibility of working here. Included in this information pack is information about the academy, ARK Schools (who sponsor the academy) and the role of Key Stage Two Teacher.

ARK Oval Academy opened as a new primary academy in 2011, transitioned from the existing Oval Primary School. It is a mixed, non-denominational, two form entry primary school for local children. The Academy aims to offer a great education in a friendly neighbourhood school, with the highest possible aspirations for their pupils. After only a term and a half since opening, ARK Oval Academy has made tremendous progress due to the hard work of both staff and their pupils, and the academy has created a trend set to continue.

The academy opened as part of the ARK Schools Network, which operates a number of both primary and secondary schools across London, Birmingham and Portsmouth. ARK Oval Academy was one of three primary schools which opened in 2011, and is now part of a support network of five primary schools operated by ARK Schools. By joining ARK Oval Academy, within the ARK Network, you will have access to a range of training and continuing professional development opportunities and network wide support.

We are now looking for an outstanding Key Stage 2 teacher to join the academy's small and committed staff team. The successful candidate will be an experienced, enthusiastic and ambitious individual who shares ARK Oval Academy's ethos, and believes in the potential of every child. They will be flexible and dedicated to raising attainment levels and ensuring that each child makes continuing progress.

For further information about the academy, please go to www.ovalacademy.org.

To apply, please complete the online application form via: <https://application.arkschools.net/?r=gxRMw6nQ>. The deadline for applications is: **9.00am on Monday 20th February 2012.**

If you would like to discuss the role or have any queries, please contact Holly Harris on 0203 116 0894/holly.harris@arkonline.org.

I wish you the best with your application.

Yours sincerely,

Sonia Rutherford

About ARK Oval Academy

ARK Oval Primary is a mixed, non-denominational, two form entry primary school for local children. We aim to offer a great education in a friendly neighbourhood school with the highest possible aspirations for our pupils.

Our culture

Academic achievement – no excuses

We want every child at ARK Oval Primary to fulfil his or her potential. We do everything possible to ensure that every pupil achieves year level expectations, every year.

Personal responsibility - mutual respect

We want to create a happy, respectful and orderly school. We take responsibility for nurturing and developing the personal qualities of every pupil and we teach pupils to be responsible for their actions and aware of their effect on others.

Behaviour

We emphasise the importance of good behaviour. Our values, meal times, manners and behaviour expectations are important parts of our education programme. Good behaviour is praised and unacceptable behaviour dealt with immediately.

Partnership with parents

We believe that children whose parents are involved and interested in their learning do well. We involve ARK Oval Primary parents in their children's learning and encourage them to be active members of the school community.

From high aspirations to high achievement

Small schools

We believe you can only teach pupils to a high standard if each teacher knows their pupils and their families. We maintain the family friendly ethos of a small school.

Assessment

We undertake regular assessments to support learning. These inform our planning, enabling teachers to provide appropriate challenges for pupils who are exceeding expectations and identify needs quickly to provide support for those facing difficulties. Pupils are kept informed of how they are doing and encouraged to self-evaluate, understand and take responsibility for their progress.

Our curriculum

Depth before breadth

All children need a firm mastery of English and mathematics as early as possible. Our first priority is to build a secure foundation in literacy and numeracy as the basis for all other learning. Pupils are taught to read, write and work with numbers fluently and confidently. Where pupils need extra support it is provided, to ensure that every child reaches and exceeds nationally expected standards.

A focus on mathematics

ARK academies have a special focus on mathematics and we invest in attracting and training the best teachers. ARK Oval Primary is developing a distinctive, world-leading maths curriculum based on the Singapore approach. Our aim is to ensure that every child achieves mastery of mathematics concepts, computational skills, problem solving and application of mathematics to daily life activities. Children learn drawing strategies to solve complex problems and build strong links between objects, pictures, and abstract numbers. We teach mathematics topics in depth, so children understand the “how” as well as the “why”.

Enriched curriculum

We provide a rich curriculum, stimulating new interests and enhancing children's learning experiences. We invite professional artists, actors, writers and musicians into school and offer a range of trips and events to stimulate learning and broaden pupils' interests and experience.

Foundation stage

Reception pupils follow the Early Years Foundation Stage curriculum. The six areas of learning are:

- Personal, social and emotional development
- Communication, language and literacy
- Problem solving, reasoning and numeracy
- Knowledge and understanding of the world
- Creative development
- Physical development

We provide a stimulating indoor and outdoor learning environment where children will be motivated to communicate, explore and learn independently. A carefully planned range of activities provides a rich, age-appropriate learning experience across the curriculum.

Every child will succeed

ARK Oval Primary is an inclusive school and our team of dedicated teachers is completely committed to all our pupils' success. We believe we can be sure that every child will do well academically at ARK Oval Primary. We ensure this by keeping track of pupils as individuals and by regularly assessing where pupils are in terms of their learning. If pupils do not understand we intervene quickly and provide appropriate support.

About ARK Schools

ARK Schools runs a network of eleven academies in London, Portsmouth and Birmingham. ARK Schools was created in 2004 to work with the Department for Education and local authorities to create new schools offering exceptional opportunities to children in inner cities through the academies programme.

Our aim is to help close the achievement gap between children from disadvantaged and more affluent backgrounds. Our academies focus on raising attainment so that every pupil has a real choice of going on to higher education when they complete school. Our schools are non-selective, community schools for local children. They are non-denominational other than where they replace a school that previously had a religious affiliation. ARK's academies are generally situated in deprived urban areas – just under half of pupils at ARK secondary schools are on free school meals, compared to around 15% nationally.

New schools: ARK is working with a number of governing bodies on proposals to open new primary academies in and outside London. We expect to open four secondary schools in 2012: Isaac Newton Academy in Redbridge and Bolingbroke Academy in Wandsworth, London, are new schools and Kings Norton High School in Birmingham and Elliott School in Wandsworth, both intend to convert to being ARK sponsored academies.

Our Vision

Our vision is to create a group of outstanding schools that radically improve our pupils' life chances. We want every pupil at an ARK academy to do well enough by the age of 18 to go to university or pursue the career of their choice. To achieve this we prioritise six key principles across our schools:

1. HIGH EXPECTATIONS

We set exceptionally high expectations for all our pupils which we reinforce constantly as they go through school. We believe every child can realise their potential with the right teaching and support.

2. EXEMPLARY BEHAVIOUR

Our schools are characterised by a respectful and orderly environment, where teachers can focus on teaching and pupils on learning.

All our schools aim for uninterrupted teaching and learning to make exceptional achievement possible. We don't accept excuses and we don't make any either.

3. EXCELLENT TEACHING

Nothing is more important than excellent teaching, underpinned by high quality professional development. We make intelligent and appropriate use of data to improve teaching and the curriculum and to ensure that no child is left behind. We draw on evidence and experience of the best ways to achieve excellent outcomes for all children.

4. MORE TIME FOR LEARNING

Our longer school day provides more time to embed core subjects and to extend the curriculum through enrichment. Our curriculum is planned to provide pathways from any level at entry to high achievement at exit.

5. DEPTH BEFORE BREADTH

A strong command of English and mathematics is a vital foundation for the whole curriculum. We prioritise depth before breadth, so that all pupils secure firm foundations in these core subjects as early as possible.

6. SMALL SCHOOLS

ARK academies are organised as small schools so that every pupil knows and is known well by every teacher within their small school. Positive relationships between pupils reinforce a culture of excellent behaviour and commitment to learning.

Achievement to Date

Primary results

- At King Solomon, Ark and Globe Academies key stage one pupils achieved results well above local and national averages in every subject in 2011. Despite starting from relatively low baselines, an average of 68% of pupils reached level 2a across their subjects, compared with 43% of pupils in primary schools nationally.
- In Globe Academy 93% of pupils achieved Level 4+ in English and maths - 10% above the national average.
- King Solomon Academy and Ark Academy are both rated as 'outstanding' by Ofsted.

Secondary results

- ARK Schools has secured a fifth year of improved GCSE performances across its academies. ARK's five academies with GCSE results achieved an average rise of 11 percentage points over last year.
- Since each school opened as an ARK academy the average annual increase in pupils achieving five GCSEs at A*-C including English and mathematics is also 11 percentage points.
- ARK academies are now outperforming national attainment in the key subjects of English and mathematics. In mathematics, 73% of ARK pupils achieve A*-Cs compared with 59% of pupils nationally. In English 69% of all ARK pupils now achieve A*-C grades, compared with 65% nationally.
- Overall 61% of our pupils achieved five good GCSEs with English and maths, ahead of the national level of attainment (58%, 2011).

- **Healthcare** – This low cost plan gives you money back towards the cost of your optical bills, dental costs and consultations.

Interest Free Loans – ARK Schools offers employees up to £5,000 in interest free loans for season ticket or bicycle purchases.

Childcare Vouchers – All employees are eligible for tax free childcare vouchers as part of a salary sacrifice scheme.

International development opportunities – In spring 2011 the mathematics leads from across the network visited Singapore in order to examine and share best practice. There have also been on several other trips this year – the staff from King Solomon Academy visited the best charter schools in New York and the primary leaders from across the network also visited various charter schools in New Orleans.

Suggest a Candidate Scheme – ARK Schools rewards employees for nominating candidates who are successful in being offered (and accepting) a role in an ARK School.

ARK Schools, Safe Recruitment Procedure

ARK is committed to safeguarding and promoting the welfare of children and young people in its academies. In order to meet this responsibility, its academies follow a rigorous selection process to discourage and screen out unsuitable applicants. This process is outlined below, but can be provided in more detail if requested.

Disclosure

This post is classified as having substantial access to children, and appointment is subject to an enhanced police check of previous criminal convictions (CRB). Applicants are required, before appointment, to disclose any conviction, caution or binding over including 'spent convictions' under the Rehabilitation of Offenders Act 1974 (Exemptions) Order 1975. Non-disclosure may lead to termination of employment. However, disclosure of a criminal background will not necessarily debar individuals from employment – this will depend upon the nature of the offence(s) and when they occurred.

Shortlisting

Only those candidates meeting the right criteria will be taken forward from application.

Interview

1. Longlisted candidates will be subject to a screening interview at ARK. Those shortlisted will take part in an in-depth interview process including a lesson observation.
2. Candidates will be asked to address any discrepancies, anomalies or gaps in their application form.

Reference checking

References from the previous and current employer will be taken up for shortlisted candidates, and where necessary employers may be contacted to gather further information.

Probation

All new staff will be subject to a probation period of six months (which may, in certain circumstances, be extended by up to 10 weeks). The probation period is a trial period, to enable the assessment of an employee's suitability for the job for which they have been employed. It provides the academy with the opportunity to monitor and review the performance of new staff in relation to various areas, but also in terms of their commitment to safe guarding and relationships with pupils.
